Profile

A product engineer currently focused on the frontend web platform
I have been always interested in everything related to technology and how it can change the way we live. In 2017 I decided to make a turn in my career and become a full-time professional developer.
I consider myself a product-centric engineer, I thrive when outlining, architecting, and developing enjoyable and crafted products that scale.
Make it easier, do it right, and achieve it together!

Experience

September 2021 - July 2023	Senior frontend engineer Gigapipe, Barcelona gigapipe.com
December 2020 - July 2021	Frontend developer Immfly, Barcelona immfly.com
Abril 2019 - December 2020	Frontend developer Xceed, Barcelona www.xceed.me

Education

2017 - 2019	Online training as front-end developer Codecademy / Udacity / Self-taught
2011 - 2014	Master's Degree in Aerospace Science and Technology Polytechnic University of Catalonia (Spain)
2005 - 2009	Aeronautical Technical Engineering esp. Aircraft navigation Polytechnic University of Catalonia (Spain)
